In this page, we display description in the left side and product image in the right side.

One interesting feature here is the lightbox effect when viewing the large image. From there user can navigate to all the images without closing the image and also provides a way to attach captions to the images. In lightbox, large image is viewed as an overlay.

This page also display product reviews if present and an ability to add reviews for logged in customers.

Finally it shows one of the many ways like facebook, twitter, google+, etc. to share this product to Your Social networks and basic Tell-a-Friend and a Print feature.
